The thesis

Platform, not a school

EduVerse Hub (multi-school OS) + Studio power white-labelled institutions on a revenue-share model.

A regulated moat

UK awarding-body umbrella — NCC, OTHM, ATHE, Qualifi, TQUK — under UKPRN 10101738.

Structural demand

Nigeria: 700k places for 1.4m applicants; <20% of grads employable; 3MTT targets 3m tech talents by 2027.

Learning to earning

Qualification → free WEBridge work experience → internship → recruitment pipeline, local & global-remote.

Capital-light growth

Zero-upfront onboarding; digital delivery, no campuses; growth compounds through partners' enrolment.

Founder-led, UK-governed

Markets & model

Live: UK (HQ), Brazil (afis-edibrasil.com) and Nigeria (afis-edinigeria.org) — localized and priced in local currency.

Model: capital-light platform economics — partners bring audiences and brands; AFIS-EDI provides the build, platform, UK accreditation umbrella and talent pipelines, and earns a revenue share. We grow when partners grow.
